

User Guide: Digital Love Page

Powered by DEEPAKWEEBCRAFTS

1. How to Create Your Proposal

Enter Details: Fill in your loved one's name and your own name in the input fields provided on the home screen.

Pick Your Question: Select from our pre-defined romantic questions or click "Write your own..." to customize your proposal.

Add Your Message: Write a special, personalized message in the box. This will be shown to your loved one immediately after they click "Yes."

Preview: Click the  **Preview Your Page** button to see how your proposal looks. If everything looks perfect, you are ready to proceed.

2. Payment & Link Generation

Unlock: Click on the  **Generate Shareable Link** button.

Verify Email: Enter a valid email address. This is critical as it serves as your primary contact point for any transaction support.

Complete Payment: Pay the one-time fee of ₹29 using any UPI app (Google Pay, PhonePe, Paytm, etc.).

Get Your Link: Once the payment is successful, your unique proposal link will be generated automatically on the screen.

3. Important Instructions

Copy Immediately: As soon as the link appears, click **Copy Link & Share**.

Save Safely: Since this is a dynamic link, if you accidentally close the success page without copying it, the link will not be visible again. Please save it in your Notes or Chat.

Support: If you miss copying your link, do not panic. Take a screenshot of your Payment ID (found in your transaction email or UPI app) and send it to **deepakwebcrafts@gmail.com** or DM us on Instagram **@deepaksonihr21 @deepakwebcrafts**. We will retrieve your link for you.

4. Why use DEEPAKWEBCRAFTS?

- **Privacy:** Your messages are encrypted and secured via Firebase.
- **Customization:** Fully personalized experience for your special someone.
- **Interactive:** Fun features that make saying "Yes" impossible!
