

Birthday Website Guide

Create a Personalized Birthday Surprise in Minutes ❤️

Made with ❤️ by DEEPAKWEBCRAFTS

How It Works

Creating your birthday website is super easy. Just follow these simple steps:

- ✓ Enter the receiver's name
- ✓ Write your birthday message
- ✓ Enter your name
- ✓ Preview the website
- ✓ Complete payment
- ✓ Copy your personal link
- ✓ Share it with your special person

That's it ❤️

Step 1: Fill the Details

Enter the requested information carefully:

Receiver Name

Birthday Message (✉️)

Your Name (👤)

Then click **Preview Magic**.

Step 2: Preview Your Website

Check everything on the generated preview:

Name

Message

Sender Name

If something looks wrong, simply go back and edit before making the payment.

Step 3: Complete Payment

Click **Pay & Get Link**.

After successful payment, your unique website link will be generated instantly. Copy it and send it through:

WhatsApp

Instagram

Telegram

...or anywhere you want!

Tips for the Best Experience

Send the website link **exactly at 12:00 AM**.

Write a genuine, **personal message** instead of copying templates.

Don't share the link with everyone — keep it intimate.

Make it feel special!
